I. This contract modification sets forth changes to the following:

A. Section B, Supplies/Services & Price/Cost

Pages 9 through 11 and Page 13 – Modification Ten of Section B, Supplies/Services & Price/Cost, are deleted in their entirety and replaced with the attached Section B, Pages 9 through 11 and Page 13 – Modification Fourteen. As a result of the changing Air Traffic training environment, the maximum number of labor hours for the labor categories listed below and the maximum price for CLIN 2008, Other Direct Costs, are increased:

<u>CLIN</u>	<u>Labor Category</u>
3004	Administrative Assistant
3006	Remote Pilot Operator
3007	Computer-Based Instruction Administrator

The increase of maximum hours in the labor categories shown above is accomplished by an offset in a reduction of the maximum number of labor hours in CLIN 2005, Instructor labor category.

As a result of the changes in the maximum number of hours for the labor categories identified above, the total maximum hours for the third option period have changed from 819,800 to 848,500.

As a result of the changes in the maximum prices for the labor categories identified above and CLIN 1008, Other Direct Costs, there is no change in neither the third option period maximum price nor the overall contract value.

A change to the maximum price of CLIN 3003, Contract Site Supervisor, is effected to correct an extension error.

A vertical bar in the right hand column of the attached Section B, Pages 9 through 11 and Page 13 - Modification Fourteen indicates the revisions.

B. Clause H.21, Key Personnel and Facilities

Page 12 – Modification Thirteen of Section H, Special Contract Requirements, is deleted in its entirety and replaced with attached Section H, Page 12 – Modification Fourteen. Clause H.21, Key Personnel and Facilities, is updated to include additions and changes in key personnel under the contract.
